Here at the Absolute we try to show our passion for high quality produce in all our menus. Where possible this is sourced as locally as we can find.

Our salad leaves are grown organically in Co. Limerick by Donie & Emer. These are picked specifically for us as needed and are in the kitchen within a couple of hours of being picked.

Our pork comes from O'Connor butchers who have a facility in Limerick and produce some of the best Pork & Bacon available. Our fish comes from Cathal Sexton in Doonbeg, Co. Clare.
