

Refurbishment Notice

We would like to inform you that we are currently undertaking refurbishment works in our bar and restaurant areas as part of our ongoing commitment to enhancing our facilities and guest experience.

Please be assured that these works are being carefully managed to ensure minimal disruption, and there will be no significant impact on your visit. All key services remain fully operational, and our team is on hand to ensure a comfortable and enjoyable experience for all visitors.

During this time breakfast and dinner service will be moved from Harry's Bar & Restaurant to the Abbey Suite, located on the same floor (1st floor).

Should you have any questions, concerns, or specific requirements for upcoming groups, please do not hesitate to contact us directly at info@absolutehotel.com and we would be more than happy to assist.

Thank you, as always, for your continued support, and we look forward to welcoming you.
